**Gnome on
the Roam**

ADVENTURE KIT

Your very own customizable DIY gnome arrives in his suitcase along with his favorite things: a copy of My Gnome on the Roam® and a custom-made journal full of blank pages to be filled. It's an invitation for a family experience designed to help you and your kids explore and create, offering countless hours of fun and connection. Because life is about more than just reading stories—it's about living them!

Meet Gnome on the Roam

Gustav is a garden gnome who longs to experience the world beyond the picket fence that surrounds his yard. Though he makes several attempts to explore, it is only with the help and love of an imaginative little girl that his dream becomes a reality. If My Gnome on the Roam® were an ordinary children's book, the story would end there. But the adventure is only beginning...
